STANDARD OIL SCORES VICTORY

Wins Against Buena Vista Company in Kern County Suit.

BAKERSFIELD, July 1.—The Standard Oil Company scored an important victory in the Kern county superior court today in the dismissal of the suit brought by the Buena Vista Land and Development Company for title to section 20-22-24 at Midway. The land in question was State school land, bought by the plaintiff for agricultural purposes. The Standard was charged with entering the land and setting up a derrick on each quarter section.

The Universal Oil Company well on section 32 in the Lost hills recently flowed for one hour at the rate of 3000 barrels per day. The well is now shut in.

Louis DeJoy and J. M. Wrightson of Fresno have sold to a syndicate of San Francisco and Eastern capitalists 400 acres of oil land in the Lost hills district for \$90,000.

The Bellridge Oil Company of Los Angeles will take up the option on more than 30,000 acres of land in the Lost hills district, given by the Mark Hopkins estate of San Francisco. The Bellridge has struck oil of 36 gravity in ample quantities on the property at a shallow depth.

The California Midway has just finished its well No. 4 in the third sand at a little over 3000 feet, and it is flowing at the rate of 3000 barrels a day. There is a heavy gas pressure. The company's well No. 1 is doing better than 1000 barrels a day.

The average height of an Englishman is 5 feet 6 inches; of a Frenchman, 5 feet 4 inches; of a Belgian, 5 feet 6 1/2 inches.

NAVY BALL AT COLONIAL PROVES ONE OF SEASON'S BIG EVENTS

One of the most brilliant balls ever witnessed in Honolulu was the large function given last evening at the Colonial Hotel by the officers of the United States Naval Station. Three hundred guests were present.

Between the hours of nine and ten o'clock the guests arrived. Mrs. Walter C. Cowles, Mrs. W. C. Neville, Mrs. Herbert E. Stevens, Mrs. Arthur T. Marx, Mrs. Roy F. Smith and Mrs. H. B. Pratt received in the large reception room that was handsomely decorated for the occasion. Captain Arthur Marx of the U. S. Marine Corps acted as master of ceremonies, meeting the guests in the reception hall and escorting them to the receiving line. This is the first naval ball that the officers belonging to the local station have given, and it is to be hoped that it will not be the last—for the many previous social functions given in this city can not rival Tuesday's affair in splendor or brilliancy.

That is a large statement, for it is universally known that Honolulu holds the reputation for magnificent entertainments. An excellent committee had this entertainment in charge and their untiring efforts were rewarded by resulting in Tuesday evening's brilliant success. Admiral Cowles and Major Neville were on the reception committee; committee of arrangements, Lieutenant Ross Kingsbury, Lieutenant Roy Smith and Lieutenant Johnson; committee on invitations, Captain Arthur Marx, Lieutenant Burrell. The American flag, and flags of all nations, formed a prominent part in the decorations. The U. S. Marine Band was stationed on a dais that had been constructed especially for the occasion on the makai side of the ballroom. This room and dais were brilliantly lighted with electric lights and festooned with flags and palms. A delicious and cooling beverage of punch was served under a marke in the spacious grounds. During the intermissions of the dances the guests enjoyed this promenade. One of the advantages of giving an entertainment at the Colonial Hotel is that the ballroom is large and is an out-of-door affair, and is so delightful and cool—this is necessary in a semi-tropical climate. The large grounds glistened with over a thousand incandescent lights, in various colors. A delicious supper was served at eleven o'clock at small tables. Unstinted praise and commendation is due the manager of the Colonial Hotel for the method and system in which things were served for there was not a drawback in any detail. This increased the enjoyment of the large assembly of guests.

Among those present were:

**PRESIDENT APPROVES
LOCAL BOND ISSUE**

WASHINGTON, D. C., June 29.—Territorial Treasurer D. L. Conkling of Hawaii had an interview with President Taft yesterday and later announced that the President had approved the issuance of \$1,500,000 public improvement bonds of the Territory of Hawaii, which are to bear 4 per cent. interest, payable semi-annually. The bonds are to be issued for a term of thirty years, with the option of the Territory to redeem them at the end of twenty years. They will be offered for public sale at New York some time in July.

The proceeds of the sale of the bonds will be used for the extension of water and sewer works, the building of wharves and dredging of the harbors, building new roads to districts being opened up to the small farmer, and for school and other needed public buildings.

The present debt of the Territory is \$4,064,000, and provision has heretofore been made to pay off the debt as it becomes due. The assessed value of the real and personal property in the Territory January 1, 1911, was \$155,000,000, the present debt being a trifle over 2-1/2 per cent. of the assessed value.

The average child of six years uses fewer than four hundred words in his daily conversation.

**Do
You
Want
Long, Heavy Hair?**

Then treat your hair well. See that it is properly fed. Growth of every kind demands proper food. Starved hair splits at the ends, turns prematurely gray, keeps short and dry. Then feed your hair. Feed it with proper food, a regular hair-food. Feed it with Ayer's Hair Vigor. Thus help nature all you possibly can toward giving you rich, heavy, luxuriant hair. Ask your doctor about your hair and about Ayer's Hair Vigor. Follow his advice.

**Ayer's Hair Vigor
DOES NOT COLOR THE HAIR**
